### **APD to participate in community forum meeting hosted by Texas Impact**

The Austin Police Department will be participating in a community forum hosted by Texas Impact regarding the Austin Regional Intelligence Center (ARIC). The meeting will take place on Tuesday, January 26, 2010 from 7 p.m. to 8:30 p.m. at St. John's United Methodist Church, 2140 Allandale Road.

The forum will serve as an open, public meeting that introduces ARIC and its purpose. The meeting will be facilitated by Texas Impact and will include a presentation from APD with a question and answer session to follow.

The Austin Regional Intelligence Center is a technology-based policing initiative with a database system that will allow APD to share a wide range of law enforcement information with neighboring jurisdictions as well as state and federal law enforcement agencies.
